

Dartmouth School Music Association

Individual Donation Opportunities – 2018 Season

Become a Member of a National Championship Team!

We Need You!

Your financial assistance will allow the DSMA to continue to support our school musicians and allow them to perform at the highest levels. The satisfaction of successfully competing against other schools across the country cannot be duplicated. The dedication required from our students to consistently achieve success helps build strong, self-confident young adults. The lessons they learn as members of the school music community help them attain further success as they move into adulthood. Your *tax-deductible* contributions will enable us to provide the funds needed to support future successes. The legacy of the Dartmouth High School music program will continue to grow with your help!

Here's How it Works

Any donations from individuals or families will be used to assist the DSMA in carrying out its mission of support for the Dartmouth School system's music department and their performance programs for the 2018 season. The DSMA is a 501 3C, certified non-profit, volunteer organization and any support is tax-deductible according to applicable tax regulations.

Each year, DSMA works hard to:

- Showcase Dartmouth's championship Band and Color Guard in local competitions by providing funding for additional support staff (drill and Color Guard instructors, music arrangers), sheet music, band uniform repair, Color Guard uniforms, props, additional transportation funds for out-of-town competitions, entrance fees, etc.
- Provide \$8,000-\$10,000 in scholarships each year to college-bound seniors who participate in high school music programs.
- Assist with music programs at middle school and elementary levels.
- Fund registration fees for music festivals.
- Provide hands-on support to various activities of the Music Department, including sewing Color Guard costumes and flags, building props, maintaining the equipment truck, and providing essential volunteer man- and woman-power to produce local and national competitions.
