The Dartmouth Public School District is pleased to be hosting the USBands/NESBA competitions at Dartmouth Memorial Stadium. On behalf of our district, as well as the entire town of Dartmouth, I am happy to welcome all of our talented musicians and families to such spectacular events. What a pleasure it is for all of us to be able to enjoy high quality performances. We are entertained, inspired and grateful for all who dedicate countless hours and energy into making this moment memorable!

I'm sure we can all agree that the benefits of music education are significant. A music program can positively impact children's growth and development as well as their social emotional well-being. Your attendance and behind the scenes support of programs such as this demonstrate a commitment to ensuring outstanding music programs thrive in our schools and that children have an opportunity to unleash creativity and discover the magic of music.

"Where words leave off, music begins."
— Heinrich Heine
