Show Description

"Becoming..." follows our story of becoming a Marching Band - starting with a dream that slowly becomes reality. The performers explore the excitement of new possibilities, the angst and turmoil of adolescence, and the deep reflections that come with time and age. The emotional journey of change and healing highlights the growth, understanding, and compassion that can arise through challenges—like light shining through the clouds after a storm.

- Welcometo theBlack Parade
- Crazy Train
- Papa, Can You Hear Me?
- Hey Jude

"From The Ashes" tells the story of life, death, and rebirth: facing our inevitable challenges, suffering defeat, experiencing growth, and ultimately conquering our fears. Featuring the iconic "Firebird Suite" by Igor Stravinsky (arranged by Jeff Chambers), our interpretation takes cues from the legend of the Phoenix, which originated in Ethiopia and Egypt, rather than the Slavic folktales of The Firebird that originally inspired Stravinsky's famous ballet.
