Your financial assistance will allow the DSMA to continue to support our school musicians and allow them to perform at the highest levels. The satisfaction of successfully competing against other schools across the country cannot be duplicated. The dedication required from our students to consistently achieve success helps build strong, self-confident young adults. The lessons they learn as members of the school music community help them attain further success as they move into adulthood. Your *tax-deductible* contributions will enable us to provide the funds needed to support future successes. The legacy of the Dartmouth High School music program will continue to grow with your help!

Here's How it Works

Sponsorship donations will be deposited into the DSMA's General Fund to be used to support its mission. The DSMA is a 501-3c certified not-for-profit organization and all donations are fully tax deductible to the extent allowed by applicable laws.

Each year, DSMA works hard to:

- Showcase Dartmouth's championship Band and Color Guard, Orchestra, and Show Choir in competitions &

scholastic trips by providing funding for additional support staff, sheet music, uniform/costume purchase & repairs, props, additional transportation funds for out-of-town competitions, entrance fees, etc.

- Provide \$8,000-\$10,000 in scholarships each year to college-bound seniors who participate in high school music programs.
- Assist with music programs at middle school and elementary levels.
- Fund registration fees for music festivals.
- Provide hands-on support to various activities of the Music Department, including sewing performer costumes, building props, maintaining the equipment trucks, and providing essential volunteer man- and woman-power to produce local and national competitions.
